ESTATE PLANNING Materials Now Available!

Effective estate planning should be an important consideration for any financial plan. To help agents and clients better understand this complicated concept, Aviva has created a series of guides and brochures explaining the process of developing an effective plan. Whether your client needs a life insurance policy to enhance their estate or an Irrevocable Life Insurance Trust to help manage estate taxes, these Estate Planning Guides can serve as a resource to start the conversation.

Brochures currently
available online only.

These materials are currently available on the Aviva Life and Annuity agent website and can be accessed by using the **Marketing Tab > Sales Concepts > Estate Planning.**

If you have questions or need assistance on a specific case, please call **the Advanced Markets Hotline at 800-525-7133, Option 3.**
